## DEFAMILIARIZATION

noun | dee-fuh-mil-yer-uh-zey-shuh n

**Presenting common things in an unfamiliar way  
to enhance perception of the familiar.**

**But First is not Enough**

# But First is not Enough

A big moment in music history.  
And you're part of it.

Apple and U2 are giving the new album *Songs of Innocence*  
to over 500 million iTunes customers worldwide.

# But First is not Enough

## Songs of Innocence

U2

If you would like U2's *Songs of Innocence* removed from your iTunes music library and iTunes purchases, you can choose to have it removed. Once the album has been removed from your account, it will no longer be available for you to redownload as a previous purchase. If you later decide you want the album, you will need to get it again. The album is free to everyone until October 13, 2014 (PDT) and will be available for purchase after that date.

Do you want to remove *Songs of Innocence* from your account?

# noraplan® valua

# Booth design

# VR viewers

A close-up, blue-tinted photograph of a person's face. The skin is heavily textured and appears to be in a state of distress or damage, with a large, jagged tear or hole in the forehead area. The person's eyes are closed, and their expression is one of pain or suffering. The lighting is dramatic, highlighting the texture of the skin and the depth of the tear.

# EXPERIENCE

# EXPERIENCE

A blue-tinted close-up photograph of a person's face, focusing on the eyes and nose. The person's eyes are closed or looking down, and their nose is prominent. The image has a soft, slightly blurred quality. Overlaid on the center of the image is the text "If you remember nothing else..." in a white, sans-serif font.

**If you remember nothing else...**

The magic of a new **experience** must  
stand on the stage of your **message**.
